# of FREE Painted Lady Butterfly Rearing Kits: Each kit includes: <ul style="list-style-type: none"> • 4-5 Painted Lady Butterfly Larvae, pre-set up for ease of use. • Caterpillars come together in a single 16 oz rearing chamber with enough food for their entire development (no transfer into smaller containers is necessary). • Includes a paint brush for handling, extra filter paper, and a feeding vial for the adults. Perfect for your own kids at home, small groups or back yard garden projects!	
Pickup Date (check one):	Wednesday, April 28 <input type="checkbox"/> Thursday, April 29 <input type="checkbox"/>
Approximate Pickup Time (11 am - 6 pm):	

Bonnie Doon Centre has partnered with Butterfly Wings N' Wishes to offer the Project Butterfly Kits, with each kit valued at \$24. Given the delicate nature of these caterpillars, they need to be ordered and picked up by the latest April 29, 2021. Limited quantities available. Each kit contains 4-5 Painted Lady Butterfly Larvae (caterpillar) in a rearing chamber with specially formulated caterpillar food, instructions, and other rearing accessories. Please read and follow the instructions carefully. You are working with living things: we ask that you are able to commit 3-4 weeks of your spring to the safety and livelihood of these precious pollinators.
