The Trendall Family's Christmas Quiz was a local tradition in Bonnie Doon for many years. Their family would sit around at their 92 Street home trying to answer all the questions. The league has gratefully adapted their tradition for the first BDCL Christmas Quiz.

1. How many oak tree seedlings did Joe Opgenorth plant on 90th Street, between 85 Avenue and 88 Avenue? \_\_\_\_\_
2. What is the circumference of the biggest tree on your block?

5. Shortly after Bonnie Doon Park was redesigned in 1999, Paramount Pictures filmed parts of their popular family adventure film, *Snow Day*, in the park. If you check it out over the holidays, watch for the rink scenes and some of the chases. There wasn't much snow in Edmonton that year, and the forest in Bonnie Doon Park wasn't quite as lush as Paramount required. According to locals, "snow was trucked in from nearby fields and many tree branches were added to snow banks in Bonnie Doon to enhance the local forest when *Snow Day* was filmed."

Is this statement True or False?

6. Estimate the size of the biggest bird nest you have seen in Bonnie Doon?

Who lives there? \_\_\_\_\_

Where is it? \_\_\_\_\_

What tree did they pick?

7. And finally, 'Who put the bop in the bop-she-bop-da-bop and who put the ram in the rama-lama-ding-dong'? *You got me...??*" This line concluded one of the Trendalls' quizzes. Name that tune:  
\_\_\_\_\_
